## OVERVIEW

Odd Wall Collective is accepting submissions for *No Bare Walls*, an affordable art pop-up experience designed to connect local artists with new collectors and bring original artwork into everyday living spaces.

This event focuses on accessibility, creative community, and showcasing a wide variety of styles and mediums in a relaxed, welcoming environment. We encourage artists to bring a mix of originals, prints, and smaller works that make art collecting approachable for both first-time buyers and seasoned collectors alike.

Selected artists will each receive:

- 5 easels for displaying artwork
- One 6' x 4' table space for prints, smaller works, merchandise, or display materials

Prints and smaller affordable works are highly encouraged.
